Excursion to the Nehru Science Centre

Learning science the fun way

Our special adults had a truly enriching excursion to the **Nehru Science Centre** on 14th January. After navigating an adventurous journey by Metro rail, they were later immersed in a world of engaging exhibits and displays. The hands-on learning opportunities allowed them to explore scientific concepts in a fun, and stimulating way. The visit was not only educational but also filled with joy and recreation, leaving everyone with happy memories and a sense of satisfaction.

Participation in the WALKATHON

Taking confident strides

Valentine's Day turned into a joyful occasion for enthusiastic neurodivergent adults who took part in the WALKATHON organised by **Aawhan Palak Sangh**. Marching cheerfully along the Marine Drive promenade towards the finish line, they showed that the event was not just about racing, but about celebrating their spirit, determination, and love for life. Accompanied by their teacher, our adults embraced every moment with excitement. The day was made even more special with Kshitij securing the first and second place in the poster design competition.

Gupshup & happy exchanges

Making new friends

An interactive session with the special adults at **Anchorage** proved to be a delightful experience for the Kshitij participants. Sharing job-work experiences and daily routines, playing games, and unwinding over refreshments created meaningful opportunities for social connection. The “Make a Friend” initiative by Anchorage is sure to translated into deeper bonds in the days ahead.

Annual overnight picnic

Awaiting the much anticipated experience

Our adults always look forward to attending the annual overnight 'picnic', along with their teachers & helpers. Spanning two nights from 25th-27th February this year, it was a chance to explore a new environment while enjoying a sense of independence. The **Gold Valley, Lonavala** was the perfect backdrop for swimming, dancing, boat rides, temple visits, and a trip to Mapro Garden, thus providing them a sense of rustic charm and memorable moments.

A kind gesture

CSR initiatives are always welcome

Our work would not move forward without the steadfast support of individuals and organizations that share our vision and dedication to improving lives. We are deeply grateful to **Dextrus** for generously fulfilling our in-kind needs through their "GIFTING FOR GOOD" initiative. This was extended not only to visitors at their exhibition, but also to their employees, who wholeheartedly supported the cause of contributing towards Kshitij's in-kind needs for vocational and functional skills training.
